#### Income Highlights

- Weekly BBQ Fundraising:

This season, our weekly BBQ generated between \$300–\$400, with some weeks exceeding \$500.

- Expenses: Snags and bread cost approximately \$100–\$120 per week.
- We returned to purchasing sausages from Coles due to more favourable pricing compared to local suppliers. This decision proved financially beneficial for the Club.
- Donations & Sponsorships:  
We received generous support from our sponsors ARA Group, Two Before Ten and Clementine Bakery which meant we could provide free uniforms for all registered Little Athletes.
- In addition, ARA Group sponsored Stormers athlete Gabbie Iglewski to attend Nationals and represent the Club.

#### Expenditure Summary

- Training & Development:

BBQ proceeds enabled us to fund training courses for parent volunteers, enhancing coaching quality for our athletes.

- Equipment & Supplies:

We invested in new equipment to support growing participation and replace worn items.

- Operational Costs:

- Trophies and Awards for the end-of-season celebration
- Council Charges
